

Brine Tanks

- Durable Blow-Molded High Density Polyethylene
- Reliable Crack-proof design
- Superior One Piece Seamless Construction with built-in molded handles
- No Cracks, No Chips, backed by industry's best 12-Year Warranty*
- Corrosion Resistant
- Durable Hard Lid providing a tighter cover for years of usage
- Tapered design (stackable) to allow for bulk shipping
- High Quality Internal Components:
 - Brine Wells are made of injection molded high quality Polyethylene to ensure form and structure
 - Brine Valves are made of durable composite plastics to ensure strength and functionality
 - Brine Valves available in 3/8" Quick Connect or 3/8" Jaco Style compression
 - Salt Grids:
 - Deliver more consistent brining
 - Reduce salt bridging
 - Injection molded for superior quality
 - Rugged construction, yet very easy to assemble in seconds
